

## UNSHAKEABLE JR. HIGH

I don't know about you, but I am thrilled our daylight lasts a little longer! With that we get to experience God's beautiful creation as we watch flowers bloom!

I can say the same about our Unshakeable youth as they bloom into great teens for God! They will be able to continue to grow into great young Men and Woman for God at the **Acquire the Fire Event on April 16<sup>th</sup> -17<sup>th</sup>**.

Acquire the Fire is a great event to see thousands of young men and women worshiping God and some for the first time experiencing God's infinite Love for each and Every one of them and lead them into God's Kingdom! If your teen has not signed up for this great event please do so as soon as possible. The cost is \$85.00 for this overnight event and cov-

ers the cost of food for the weekend. Please don't ever let finances keep your teen from going to any event— see me if you need assistance.

Our teens today have so many things to deal with on a daily basis as the world begins to distract them from God. During the month of April and into part of May we will begin a Church wide Study of **To Save A Family**

which was based upon the movie **To Save A Life** that was released several months ago in select theatres. On **April 30<sup>th</sup>** we will be hav-

ing our next Dinner & Movie Night to view this movie in its entirety. Due to the content the movie is rated PG13. The target audience is intended for those in 7th grade and above. The Jun-

ior High Group will be putting on the dinner portion which will be a Taco Bar! We look forward to seeing many families come out for this special evening. Cost is only \$5 per person

**Save the Dates:**

**May 1<sup>st</sup> & June 5<sup>th</sup>** - the Unshakeable group will be holding a Car Wash to raise funds for the Gospel Center Rescue Mission Center as we prepare for our Love in A Box event.

**June 5<sup>th</sup>** - All 8<sup>th</sup> graders will move up to the High School Ministry as we receive all our incoming 7<sup>th</sup> graders!

## InTent High School

**Vision Statement:** Youths transformed by the Word of God and filled with the Holy Spirit, intentionally impacting and changing the culture around them through ministry for the Kingdom of the Lord Jesus Christ.

April 16<sup>th</sup> draws near and excitement mounts as we prepare to go to the 2010 **Acquire the Fire** at Sacramento's Arco Arena. Those who have been to ATF before have had much to say about the great music, the engaging dramas and the time spent with friends. But overall, everyone mentions how the event positively impacted their walk with God.

If you have a teen who you think would benefit from attending ATF, turn in a complete permission slip and check/money order for \$85 to Kim Spurlin no later than **April 11, 2010**. Kim is coordinating fund raising opportunities. Be

sure to take advantage of that!

We anxiously wait to see how God will continue to fulfill His purpose in the **Fusion** event on Wednesday, **April 7, 2010**. God planted unifying seeds in the first Fusion at Harvest Bible. We're expecting those seeds of new friendships to grow in worship and fellowship. Youth Groups from Bear Creek, Harvest Bible, Century Assembly and other area churches are planning to gather together.

**Bless the Mic on April 9, 2010** promises to be a special event. Gospel Center Rescue Mission will sponsor the evening which is the 70<sup>th</sup> celebration of GCRM ministry to the

homeless and addicted in Stockton.

We are in the planning stages of the High School **Mexico Missions Trip** to IDT! Be on the lookout for information coming soon!

We ask for your continued **prayers** for Pastor Bobby, all the Youth Leaders and support staff, each and every teen and their parents. Pray that the ministry continues to be sensitive to the leading by The Spirit as we minister to the needs of those we serve and that we all draw closer to God.
